

## REAL WORLD WORSHIP CENTER

Real World Worship Center, is an Assemblies of God church. Pastors Jim and Laurie Williams started the church officially on Easter Sunday of 2004 with a vision to present the Gospel of Christ in a fresh, non-religious way that hits home with today's un-churched society. Colossians, chapter 2 speaks plainly about the disappointment of the religious and worldly systems of today. Real World's purpose is to combat that disappointment and provide a home for those seeking after the answers in life that only a personal relationship with Jesus Christ can provide. Whether it's great music, a bible-centered message, or just meeting someone like you to spend some time with, step into the "Real World" and come experience God's un-changing love for yourself.

### **Our Vision:**

To promote the reality found in a relationship with Jesus Christ to a world searching for that which they have not found in the shallow rules and empty promises of religion, human traditions, and worldly principles.

We are an Assemblies of God church.
